OSA-0769-72

30 March 1972

MEMORANDUM FOR: Deputy Director for Science and Technology  
ATTENTION: Acting Comptroller, Deputy Director for  
Science and Technology  
SUBJECT: Status of Funds - FY 1972  
REFERENCE: DDS&T-398-72

1. Permission is requested to defer a final report either on unfunded requirements or on any anticipated surplus of funds until the first week in May.

25X1A 2. In consonance with DDS&T guidance, OSA has appointed a survey team to conduct a definitive review of the physical facilities [redacted]. This team has been charged with reporting needs based on several different levels of operation. It is not expected that the report will be available before the first week in May; accordingly, we would prefer to defer a final status of funds report until that time.

25X1A 4. At present we have approximately [redacted] which will be available to apply either to the renovation or repair of facilities [redacted] or to higher priority items elsewhere in the DDS&T.
